DURBAN GIRLS' COLLEGE

143 Years of Academic Excellence

Durban Girls' College applauds the Class of 2020, yet another generation of remarkable young women who have achieved excellent IEB Matric results. We are proud of these 57 inspiring young women who showed admirable resilience and perseverance despite the challenges of a global pandemic. We commend the hard work and dedication of our teachers, without whom these results would not have been possible. The future looks bright for these young women of significance and we wish them well in their onward journey!
