Student Leaders' Pledge

Athenian Oath

"We will never bring disgrace on this our School by an act of dishonesty or cowardice, nor ever desert our suffering comrades in the ranks. We will fight for the ideals and sacred things of our School, both alone and with many. We will revere and obey the School's rules, and do our best to incite a like reverence and respect in those around us who are prone to annul them and set them at naught. We will strive unceasingly to quicken the girls' sense of civic duty. Thus, in all these ways, we will transmit this School, not only, not less, but to a great extent better and more beautiful than it was transmitted to us."
